CHARITY GOLF EVENT RAISES \$26,075 FOR LOCAL CHARITIES

Stillwater, Minnesota (September, 2010)- Anastasi & Associates, P.A., a law firm located in Stillwater, held their 10th Charity Golf Event on September 2, 2010, at Hillcrest Golf Club of St. Paul. The event raised money for two local charities, Family Means and Family Pathways. Family Means is a non-profit based in Stillwater who provides credit counseling, mental health counseling, youth programs, and senior programs. Family Pathways is based in Cambridge, Minnesota, and serves surrounding counties through food pantries, senior services, and youth programs. The event attracted a total of 92 golfers from various businesses throughout the twin cities area. The final donations totaled \$26,075, the most the event has ever raised.

“In this economic climate, non-profits are faced with a tough dilemma: More people need their help, while less people are able to make donations. We are overjoyed that the event was successful in both promoting and raising money for Family Means and Family Pathways. We’d like to thank everyone who attended the event, donated to the charities, and donated prizes for the event,” said Dave Anastasi, Shareholder at Anastasi & Associates, P.A.

Anastasi & Associates has been practicing law in Minnesota and Wisconsin for 15 years, focusing primarily in the areas of Banking Law, Business Law, Mediation, and Marital Law.
